Under section 6 of the Land Acquisition Act, 1894, when the Local Government is satisfied after considering the report, if any, made under section 5A, sub section(2), that any particular land is needed for a public purpose, a declaration should be made to that effect under the signature of a Secretary to such Government provided that no such declaration should be made unless the compensation to be awarded for such property is to be paid by a Company, or wholly or partly out of public revenues or some fund controlled or managed by a local authority.

In this case, the compensation will be paid by Mr. Thiruvengadasawmy Mudaliar whose payment cannot be considered as payment by a Company or wholly or partly out of Public Revenues or some fund controlled or managed by a local authority. Therefore the requirements of the proviso to section 6(1) of the Act are not fulfilled and a declaration cannot, therefore, issue.

The Collector s argument that, even if Mr.T.Mudaliar had not paid for the acquisition, the Municipal Commission would have probably taken steps to acquire the land from Municipal funds does not satisfy the proviso to section 6(1). The question is who actually is paying. Unless at least a portion of the cost of acquisition is paid from Municipal funds, it does not appear that the Local Govt. can issue a declaration under section 6 of the Act.

Submitted for orders whether the Collector may be informed accordingly.

SIR,

Land Acquisition - Land required for a drain from Mr. Thiruvengadasawmy Mudaliar's Studio on South Parade to the Main drain in Church Street - Your No. 41 dated 27-3-31.

S.N. 126/B
of Collection E

In response to the notice issued under rule 1 of Land Acquisition Rules, I received a statement of objections from the owners of the land proposed to be acquired, a copy of which is enclosed with a copy of the statement received from the Executive Engineer in reply to the objections. I heard their legal representative under Section 5A(2) of the Act and also the Municipal Executive Engineer and enclose copy of the statement recorded from the former.

2. The acquisition of the land is for a public purpose as the construction of an underground sewer will improve the sanitation of the locality. Mr. Thiruvengadasawmy Mudaliar is paying the cost of acquisition, but even if he had not done this, the Commission would probably have taken steps to acquire the land from the municipal funds on the same grounds. I therefore request that the Hon'ble the Resident may be pleased to over-rule the objections and direct the acquisition of the land.

3. To save delay I am sending a draft declaration under Section 6 of the Act for favour of approval and publication in the Residency Orders.

Statement of objections of C.L.M.Ross and Miss A.J. Ross residing at No.4,South Parade C.& M.Station, Bangalore.

--

We, C.L.M. Ross and Miss A.J.Ross beg to state as follows:-

1. We are the joint owners of No.4, South Parade Bangalore, a portion of which is intended to be acquired by a notification dated 27-3-1931.

2. The proposed acquisition is not for a public purpose, but is for the benefit of one private citizen, namely Thiruvengadaswamy Mudaliar, and hence the same is unsustainable at Law.

It is for a public purpose.

3. The compensation money is going to be paid by the said Thiruvengadaswamy Mudaliar and not from any Public revenue.

Paid by Mr. Thiruvengadaswamy Mudaliar for a sewer which will be for a public purpose.

4. The running of drainage pipe with two man holes in our compound, will very much deteriorate the value of our property besides making it very unhealthy to live in.

The value of property will not deteriorate, as the sewer will be laid underground.

5. There is another convenient path for running the drainage pipe without prejudice to our property, and we humbly solicit the favour of your inspection of the said premises for the said purpose.

No. This is impossible as the ground at site of latrine is on the same level as the top of the man hole on Church Street. The pipe has to be laid at a gradient of 1 in 60.

For all the above said reasons we pray that the proposed acquisition may not be ordered.

Statement of Mr. B.G. Kosal Ram.

I appear on behalf of Mr. and Miss Ross. I will file a power of attorney.

I object to the acquisition since it is not for a public purpose. I do not agree that a measure which is proposed to improve the sanitation of the locality can be a public purpose when it is intended solely to improve the amenities of the property of one person.

Secondly; the compensation money is being paid by a private person and is not coming from public funds, or the funds of a local authority, since I am informed that Mr. Thiruvengadaswamy Mudaliar is providing the funds for the acquisition: vide section 6(1) proviso.

Thirdly; the running of a sewage pipe, with two man-holes therein, though the property of my clients will deteriorate its value.

With reference to your letter No. 596-D-31, dated the 27th July, 1931, I am directed to point out that, as the cost of acquisition is to be paid by Mr. Thiruvengadasawmy Mudaliar, the requirements of the proviso to Section 6(1) of the Land Acquisition Act will not be satisfied in as much as payment by a private individual cannot be considered as payment by a Company or wholly or partly out of public revenues or some fund controlled or managed by a local authority. Unless therefore at least a portion of the cost is paid from Municipal funds, it does not appear that the Local Government can issue a declaration under section 6 of the Land Acquisition Act, 1894.
